For: METHOD FOR DETECTING ERRORS AND SUPPORTING RECONFIGURATION
DECISIONS IN MOBILE RADIO NETWORKS COMPRISING RECONFIGURABLE
TERMINALS, AND CORRESPONDING NETWORK ELEMENTS AND COMPONENTS

COMMUNICATION REGARDING NOTICE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On November 20, 2008, the Patent Office issued a Notice Regarding Change of Power of Attorney (copy enclosed). The Notice indicates that the Staas & Halsey Power of Attorney has been revoked. Based on a review of the Patent Office Records, it appears that the Notice should have been sent to the previous attorneys, Harness, Dickey & Pierce. On January 22, 2007, Harness, Dickey & Pierce requested to be withdrawn as attorneys for the subject application. On May 8, 2007, the assignee revoked the Power of Attorney to Harness, Dickey & Pierce and appointed Staas & Halsey LLP.

Enclosed is a printout from the Patent Office website. The printout shows that the Patent Office lists the correct correspondence address and attorney/agent information. As stated above, applicants understand that the Notice regarding change of Power of Attorney was incorrectly issued to Staas & Halsey LLP. If there is any confusion regarding this matter, the Patent Office is requested to telephone the undersigned to clarify this confusion.

Serial No.: 10/594,889

If there are any additional fees associated with filing of this Communication, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP

Date: Dec 3 2008
